Dear Paula and Sarah Jane

**RE Your HR Services**

Having recently launched our 'Your HR Services' site I just wanted to drop you a line to say how beneficial I have found it.

One of our frustrations was updating the team on any changes in legislation, but since using 'Your HR Services' this is no longer a problem for us. It is good to know that our staff can see that there is transparency in our Policies and Procedures by having one central place to view them; it also makes us look much more professional on the HR front.

Your HR Services ensures we are compliant with legislation. We don't have to worry about a thing, you have taken a lot of time and stress away from us and the site is so easy to use.

Our staff have already started using the site and have provided us with positive feedback. We have found the online forms extremely helpful to keep on top of things.

I would have no hesitation in recommending Your HR Services to anyone.

Many thanks for all your hard work in helping us pull this all together.
